To

Rao Saheb V. Venkata Ramaiya, Esq., M.A., B.L.,
Secretary to the Government of Mysore,
Law Department.

Sir,

Visit of the Minister for Food and Civil Supplies, to Mysore State Charities, Tirupati, during January 1945 - Tour Notes - Sanction sought for - iron stoves, carpets -

---

I have the honor to append in the margin, the extracts from the notes of the Minister for Food and Civil Supplies, relating to his tour to Tirupati, in the month of January 1945, and to state as follows.

1) Old Choultry at Tirumalai.- An iron oven may be provided in every kitchen, in addition to the earthern ovens put up already, as many pilgrims are found to prefer separate ovens. 'Mysore Stoves' from the Implement Factory, Hassan, will be very useful.

2) 16.- In what was called the 'Fuel Room', were lying unused two large vessels--one a large-sized copper hande, and another brass or bronze gangala. It was stated that these were meant to be auctioned. It would be better to put them to use for storing rice, etc.

3) 23.- The flower garden attached to the Choultries is ill-kept and overgrown with rank vegetation. An official from the Gardens' Department, should be deputed to re-lay the garden and instruct the care-taker to maintain it properly. There is no reason why this garden should not be kept as well as the one attached to the temple.

4) 25(c).- 'The Choultry at Tirupati.- The carpets in the Government Choultry at Tirupati as well as those in the choultry at Tirumalai are torn and dirty. These may be auctioned and new ones purchased.

1) Supply of Iron Stoves.- As suggested by the Minister, the Peshkar requests that 22 stoves (11 fuel stoves and 11 charcoal stoves) may be supplied from the Mysore Implement Factory, Hassan. The cost of 22 stoves is ascertained to be Rs. 137-8-0, as calculated in the margin.

| | | | | |
|---|---|---|---|---|
| a) | 11 | fuel stoves at | Rs 7-8-0 each | Rs 82-8-0 |
| b) | 11 | charcoal " " | " 5-0-0 " | " 55-0-0 |
| | | | Total | Rs137-8-0 |

2) Repairs to the two copper handes.- As regards the two big vessels found to be out of use and meant to be auctioned as unserviceable, the Peshkar reports that these two big copper handes which are damaged, may be repaired with advantage by utilising the metals of another unserviceable copper gangala available. The wages for getting them repaired are estimated at Rs. 60.

3) Relaying the flower garden at Tirupati.- In order to relay the flower garden, as per instructions of the Minister, the Superintendent, Govt. Botanical Gardens, Bangalore, suggests that a gardener for 3 months has to be deputed to Tirupati, and that an expenditure of Rs. 210

as noted in the margin, excluding the incidental charges relating

| or Rs 210 for 3 months. | | has to be |

incurred, to complete the garden work. As the incidental charges can be known only after the work is completed, a separate reference will be made in this behalf, in due course.

4) Supply of new carpets.- The Superintendent, Central Jail, Bangalore, who was addressed for the supply of new carpets, has stated that there are 3 or 4 cotton carpets, of 9' x 6' in stock, each costing Rs 45, and that the carpets of the sizes of 8' x 5' and 8' x 15' will be manufactured and supplied, if required, at the rates to be determined after the completion of the work. The Peshkar requests that two carpets of the size of 9' x 6', which are readily available in stock, may be arranged to be supplied, and an order placed for 6 carpets of 5' x 8'. The amount that is immediately required for the purchase of two carpets of the size of 9' x 6' is Rs 90. A separate reference will be made after the carpets are manufactured and supplied by the Central Jail.

5) Supply of vessels to the Choultry at Tiruchanur.- The Peshkar reports that the Minister was pleased to observe that the number of vessels at Tiruchanur should be increased, and submits, therefore, an estimate for Rs 375 (copy enclosed) towards the purchase of vessels that are found in demand by the pilgrims.

Thus, an aggregate amount of Rs 1000 (vide abstract in the margin)
